Top of Mind

- Where to start?
- Do children have the skills to navigate?
- How do I treat everyone fairly?
- I worked hard to build this and don't want it wasted!
- I don't want children to be Country Club kids!
- The Capital is to live on, not off!
- What will my legacy be?
- How do I give this the best chance of success?
- Who do I need to surround myself with?
- What is my role now?
